Lazy Flavors specializes in providing personalized, authentic, high-quality, entertaining and hands-on oenogastronomic experiences to travelers visiting Portugal.

What does your business hope to achieve through Connect to Success's Corporate Mentoring Program?

Through Connect to Success's Corporate Mentoring Program we hope to:

- develop our contact network in our industry
- grow our business in a sustainable way
- establish a fruitful relationship with the mentor company
- develop tools to prepare us for international negotiation
- obtain input and feedback on our current new business strategy
- scale-up our service-based business
- create automated processes that increase the productivity and efficiency of the company
- obtain experts' feedback on product development
